

WORKING IN AUSTRALIA MENTORING PROGRAM

Successful Career Transition Through Industry Mentoring

**APPLY FOR MENTORSHIP
& BOOST YOUR CAREER**

Are you an International Student looking to gain exclusive knowledge on the Australian workforce? Want to know what it takes to secure professional work in Australia?

Would you like to take part in a unique program that strengthens the skills employers are looking for?

About the program

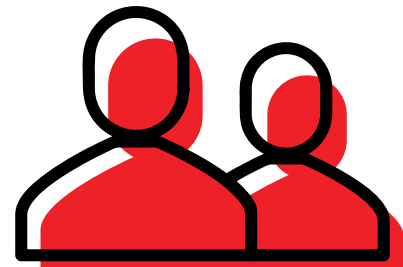

The "Working in Australia Mentoring Program" (WAMP) is an **innovative industry-led** twelve month program which aims to improve **international student** well-being by providing them with **coaching** from industry professionals who are former international students. Through this program 300 international students will get an exclusive opportunity to enhance their **employability** in Australia. They will be provided with **advice** and **support** to advance their knowledge on the Australian workforce, improving their **enterprise skills** which are vital for any career pathway. Moreover, international students will gain a **unique** understanding from mentors who have experienced first-hand challenges in finding meaningful work in Australia.

Why join WAMP?

- **Improve chances of employability** in Australia
- Learn about your profession in the Australian **workplace culture**
- **Networking** opportunities
- Improve **communication skills**
- Learn about **enterprise skills from practitioners**
- Company/Site Visits
- **Insider knowledge** on what employers want
- Participate in **industry-led** workshops
- Receive a **Certificate of Completion** at the end of the program
- Stand out from the crowd
